

## **BRIEF INTRODUCTION OF BUSINESS DIVISION PACKAGING AND HOUSEHOLD PRODUCTS**

Xenylla s.r.o. has three business divisions: plastic packaging and household products, solar/photovoltaic and aluminium.

**The packaging and household products division is specialized in producing and distributing various kinds of mainly OEM products.**

**The products we supply include a wide and varied spectrum of plastic packaging goods: t-shirt bags (on roll/blocked), flat bags (on roll/blocked), punched handle bags, star sealed or c-fold bags on roll, many kinds of waste disposal bags, aprons, gloves HDPE and LDPE sheets and zip lock bags. They are manufactured from the highest grade raw materials as per industry standards, in different styles and sizes, from materials such as HDPE, LDPE, LLDPE and also PP, CPP, BOPP.**

**We are also offering a wide range of GLOVES, primarily disposable and examination made from latex, nitrile, vinyl, CPE and TPE material.**

**Our own brand product is ECO SHEET which is a special compound of Polyethylene, Calcium Carbonate, TDPA and other additives.**

**The material has been developed with focus on environmental protection. This product is intended to adequately replace traditional paper with laminated polyethylene foil, greaseproof or wax paper, which are used for packaging of different type of foodstuffs, cold cuts, deli products, meats, butter, bakery, candies etc.**

**Our household cleaning products include different types of mops, microfiber cloths, non-woven cloths, metal and plastic scourers, sponges, clothes pegs, clothes lines, household protective gloves, brooms and brushes.**

**We focus our attention on the wholesale segment of the market, as we have important clients and established distribution channels in EU countries (e.g. Poland, Slovenia, Slovakia, Czech Republic, Germany, Austria, Croatia, Bulgaria, Romania, Italy...) and the non EU market.**

**Xenylla aims to offer all our customers quality products at competitive prices coupled with our professional service and attention to detail.**

**For more information on any of our products, please get in touch and we will gladly advise you.**
